Dear Edward,
Mamaliga Tours,

Re: Trip to Romania 18-25 June 2017, Biran Group

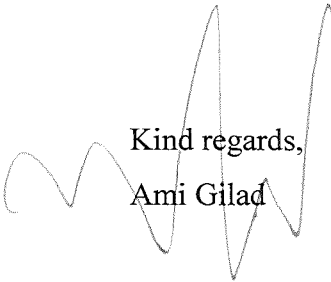

Following the trip we had in Romania, I wish to convey, on behalf of our group, our appreciations and thanks to the wonderful team who accompanied us in Romania:

Jacky Meirovici and Daniel Saraev.

They both turned our trip to be a most exciting, interesting and enjoyable trip.

We know that one of the most important keys to a successful trip is the nature, knowledge and pleasantness of the team guiding you – and this team is, with no doubt, a BINGO.

Well done!

Kind regards,
Ami Gilad
